BHPS/Cir No: 4 /2021-22

Date: 19/05/2021

Dear Parents & Students,
Greetings from Bhavans!!

Schools across the world have shifted partially or fully to distant learning due to the pandemic disturbing schooling of children. To some extent, Students miss the academic excitement and healthy competition in school campuses. Although curriculum is transacted efficiently through the online system, online evaluation of students needs to be modified incorporating creative participation of students in the learning activities.

Therefore, internal assessment of students in academic activities by the subject teachers will be given equal weightage (50%) along with scores in the online tests (50%).

Student's activities like Home Assignments, Class tests, Viva voce, Class notes, Attendance, Project work etc. will be considered for internal evaluation.

Please find the following steps for uploading home work/ Projects/worksheets in the School Portal, when assigned by the subject teachers. Teachers will evaluate/correct students' work uploaded in the School {Portal.
