Dear Parent,  
Greetings from Bhavans

**Subject: - Reinstatement of Transportation in a phased manner.**

Hope you are healthy and safe.

The school is on 100% direct classes pursuant to the directives from the Ministry of Education and Higher Education.

We are considering reinstatement of transportation in a phased manner. We have fully outsourced the transport operations for providing better service to all concerned .The contractors are facing difficulties in the remobilization of their fleets, drivers and staff as they were inoperative for a long time.

We have appended a google data form to know your interest in availing the school transportation

<https://forms.gle/e4WQwoqG7H74wfeaA>

You are requested to fill in the google form on or before 8<sup>th</sup> October 2021, in case you wish to avail School transportation. The services will be provided only on getting a minimum number of students in each route and against your advance payment of term wise transportation fees.

Once the route is opted and payment is made, transportation fees will be charged irrespective of partial or non-utilization of transportation services by the students as the school has to make payment to the transport contractors, irrespective of the number of students travelling in the buses hired by the School.

**With warm Regards**

**Principal**
