

## **Bhavans Public School, Doha- Qatar**

BHPS/Cir No: 32 /2021-22

Date: 07/11/2021

Dear Parent,

Greetings from Bhavans Public School

It is noticed that a few students are bringing mobile phones to the school with Parents' permission for various reasons. Please note the following points in this regard.

1. Bringing Mobile phones and other electronic gadgets by students to the School is not permitted as per the directions issued to Parents through the Students Diary.
2. If the parents are badly in need of sending mobiles with the students travelling by Taxi/Metro rail on any day, a letter to the Class teacher should be sent and the mobile should be submitted to the Class teacher in the morning.
3. Smart phones should not be sent with students, only base model phones may be sent in case of indispensability.

If mobile phone is found with students against the above guidelines, it will be confiscated. Parents are requested to cooperate with the school in this regard as it is for the welfare of students.

**With warm regards**

07/11/2021

**Principal**
