PLEASE NOTE:

- 1. Parents of own transport and students using Public transport are requested to ensure that their wards reach the School in time for the Classes.**
- 2. It is noticed that a few students do not reach the School in time and they miss the attendance. If the students do not reach during the Class teachers' period, attendance will not be tallied and the student will be marked absent.**
- 3. Late coming is a disturbance for the Class and leads to indiscipline. Students coming late to the school, will not be attending the first period and they will be at academic loss. Therefore Parents are requested to send the students in School buses/ drop them at School in time.**
- 4. Parents of OT students are requested to pick up students from the allotted OT room in the school campus. Students should not be asked to wait outside the School gate for picking up, due to safety reasons. Parents have to come inside the campus to receive the OT students.**

With warm regards

Principal
