AURORA 2025

Dear Parents and Students,
Greetings!

We are delighted to announce that our school will be hosting the Annual School Expo – AURORA 2025. This vibrant event is designed to provide students with a platform to showcase their scientific, social, and mathematical explorations, while also nurturing their linguistic, artistic, and creative talents.

This year, we are excited to introduce a special pavilion dedicated to Qatar's History and Culture, featuring exhibits on traditional art, craft, dance, music, and literary heritage.

Please note that only selected exhibits, finalized after a thorough evaluation by a panel of competent experts, will be included in the final showcase.

The competitions and exhibits will be categorized into three groups, covering students from Std. V to XII.

We look forward to your enthusiastic participation and wholehearted support in making AURORA 2025 a grand success.

Warm Regards,
Principal
Bhavan's Public School
